OEM-Desig, Mfgr of Chemical Dosing Systems, Automatic Flocculent-Poly D.S., Dosing-Metering Pumps, Agitators, Static Mixers, Industrial Strainers Filters, Pulsation Dampeners, Calibration Pot, Level Gauge, Antisyphonig Valve & Spares.

About Us

We PRIKOSA ENGINEERING are **Designers, Manufacturer & Fabricator of Customised Chemical Dosing Systems and Automatic standard Flocculent-Polymer Dosing Systems, Dosing-Metering Pumps along with accessories like Agitators/Mixers, Industrial Strainers & Filters, Pulsation Dampeners, Calibration Pot, Level Gauge, Antisyphonig Valve & Spares.** Our Manufacturing unit in Ambad MIDC, Nashik, Maharashtra and our presence in Gujarat with **Sales & Service, Branch office at Vadodara.** The detail of our Products Range is as under. v **Automatic standard Flocculent-Polymer Dosing Systems (PR-250 to 5000).** v **Dosing systems:** Ø ETP / STP dosing skid. Ø PAC,HCl,H2So4, alum dosing skid. Ø Tsp, Antifoam, Additive Injection, Hydrazine dosing skid. Ø LP & HP Dosing System. Ø Ammonia Dosing System. Ø Corrosion inhibitor Dosing System. Ø Additive Injection System. Ø All tailor made Dosing system. v **Chemical Metering Dosing pump:** v **Mechanical Diaphragm Pump** v **Plunger Pump.** v **Hydraulic Diaphragm Pump.** v **Industrial Strainers & Filters** v **Agitators:** Ø Top Entry Agitators Ø Side entry Agitators Ø High speed Agitators v **Pulsation dampener:** Ø Bladder type Dampener – RUBBER - ...
